Mayor’s Mentoring Programme – Mentor Application Form

The Mayor’s Mentoring Programme is part of Team London, the Mayor of London’s Programme for all Londoners. The aim is to make volunteering easier to do and easier to find out about. Team London are working towards an electronic application process by the end of 2012, which partners will be able to use instead of hard copy forms, to facilitate the registration process. Team London will liaise with partners in relation to this. The information provided in this form will be shared with the Greater London Authority, who is funding the programme, for monitoring and communication purposes.

We will be sending Team London alerts to all volunteers who sign up. If you would prefer not to receive these alerts, please tick here
